About This Game

Sneak through a hospital as Hazel the Horse, as you unravel the past of your friendship with Buddy the Horse, stop the plans of the mysterious hospital director, and generally cause chaos like only a horse in a hospital can.
Hazel's best friend Buddy has sneaked into a hospital to seek better medical attention than he can get from a veterinary, but quickly discovers that horses are not very popular in hospitals, and the glue factory next door is looking for new "volunteers"!
It's up to Hazel to come to the rescue!
